

## Strategic Programmes: Innovation Nexus

Health Innovation Manchester's Innovation Nexus service was developed and delivered by **TRUSTECH**.

It enables the life sciences industry to engage with academic and clinical specialists to advance their knowledge and understanding of NHS needs and procurement processes.

Innovation Nexus also facilitates the award of Health Innovation Manchester's Innovation Funds.

To date, this programme has awarded nearly £1 million to assist with the development and implementation of needs-led, evidence-based innovations into the Greater Manchester health system

### **TRUSTECH** support:

- Designed and developed the system from concept to completion, supporting over 400 companies
- **TRUSTECH** was the delivery partner for Innovation Nexus from 2014 – 2019
- Responsible for day-to-day service delivery, along with the organisation and promotion of the Innovation Funds programmes.
